

# River Valley Alliance Church Unity of Faith 2017 **-UPDATE-**

**SHORT-TERM INTERNATIONAL WORKERS- IMPACTING THE WORLD FOR JESUS...**

**January, 2017**

## *God is at work at River Valley Alliance Church!*

He is building up a dedicated team of faithful servants to take His message of love and hope to the people of Thailand. There is a lot of work to do and we are amazed at the opportunities that God is opening, and the people that He has drawn together to take on the tasks.

## *What is Happening?*

Unity of Faith 2017 recently had its first training meeting for our short-term international workers. There will be two teams that will take on different assignments and we identified which members would be on either one of two teams. We want the Lord to draw us together as a one group so we will be sharing together over the next few months to get to know one another better. Each team has scheduled individual dates for the members to do their own team devotions and personal team testimonies. We also want you to get to know each one of the team members so we will have scheduled dates for presenting personal testimonies during the worship services.

## *Who is Going?*

Our ministry may include teaching, construction and even medical care. We have seen how the Lord has called those to the team that will be a perfect fit. The team consists of a cabinetmaker, doctor, preacher, emergency medical specialist, 3 teachers, an IT engineer, 2 high school students, and a nurse. We also have 2 husband/ wife couples, a mother/ daughter pair, 4 returning to Thailand, and 4 who are waiting on God's direction for them regarding International Kingdom-Building Work as part of their future lives. And me.

We have selected a Team Medic, Team Treasurer, Team Co-leader/ Advocate Support, Team Communications Coordinator, Team Photographer, and Team Gear Manager for each team.

Please continue to pray for us as we prepare to go!

Thank you,

Mike Friedl
